

St. Louis Youth Camps

A non-profit scholarship organization, Helping children attend Camp Weloki

Dear Parent/Guardian:

Thank you for your interest in sending your child to Camp Weloki. One of the goals of *St. Louis Youth Camps* is to provide learning experiences for children from all social-economic backgrounds. Camp Weloki provides scholarships through fundraising events so that we can include any child who wants to come to camp regardless of financial situations.

If you feel that your child would benefit from an experience at Camp Weloki, please complete and send in your application. Every year, we have more requests for scholarship assistance than we have funds available. So, applications are reviewed in the order and processed in the order that they are received.

The decisions of the scholarship committee are based on both the financial situation of the family and the overall family situation. Please feel free to describe your family and child's situation on the application in order to aid in the application process.

Overview of Scholarship Application Process

Please read and follow directions carefully

Step 1- Send a completed Scholarship Application packet to *St. Louis Youth Camps* at the address listed via email or fax. It is **mandatory** that all of the information be included.

The Scholarship Application Packet includes **all** of the following:

1. Scholarship Assistance Application- complete all parts, including the question "how much financial assistance are you asking for?" All information will be kept confidential.
2. A copy of your most recent federal income tax filing (**front page only**).

Step 2- Your application is reviewed by the St Louis Youth Camp Scholarship Committee. You will be notified in e-mail or writing of the amount of scholarship, if any, being granted.

Step 3- You will be asked to respond immediately (within 1 week) whether or not you accept the grant. If you decide to accept the scholarship and enroll your child in camp, a deposit will be necessary at this time, if not already sent. **A spot in camp cannot be held without a deposit.**

Step 4- Register your daughter online at www.campweloki.com

Take advantage of this great opportunity for your child to learn, grow and have a ton of fun this summer.

Thank you for your interest in Camp Weloki!
